Top Selling Essential Oil.

British Lime

Uplift your mood instantly by misting your atmosphere with an aroma of fresh lime. British lime guarantees to enhance your spirits throughout the day.

Lemon Grass

It has a crisp aroma that transforms your space with a pleasant scent of lemon grass. This fragrance will soothe your body and soul.

British Lavender

The combined aroma of lavender blended with fresh pomegranate and vintage mimosa creates an oasis of calm amidst your busy life.

Green Apple

This fragrance is euphoric and uplifts your soul. The combination of green apple with natural essential oils is sure to induce a joyful vibe all the time.

Royal Brut

With the core ingredients of orris root blended with patchouli, iris, pomegranate, and mimosa, Royal Brut is bound to swiftly eliminate unpleasant odours and make your space feel luxurious.

Aroma Diffuser.

THE PERFECT SCENT FOR EVERY SPACE

Diffuser Machines available in small, medium and large formats to match any commercial area. Custom Fragrances are available on request.

APPLICATION

Our Aroma Oils are formulated to be used in electric diffusers for large spaces. They are well suited for hotels, hospitals, Corporate and commercial facilities, to maintain a fresh, clean, and welcoming environment.

USAGE INSTRUCTION

Fill the diffuser's built-in fragrance container with Aroma Oil and set the timing, on the digital panel. The diffuser will then operate automatically to maintain consistent ambiance.
